## The right chemistry

When you choose a Peugeot, you're buying more than an elegant piece of design or a superb piece of engineering, you're buying a vision – our dream of a marque that embodies your desires and meets your expectations in every way. A vehicle that is the very personification of the Peugeot spirit.

This spirit, or essence, of our marque can be summed up in four words. Style, quality, dynamism and innovation – the values that every Peugeot is created around.

So what does that mean to you? It means beauty. Stunning design, pure Peugeot lines, the very quintessence of aesthetics as seen by top Peugeot designers. Or roughly translated, a car that makes your heart beat faster every time you look at it.

It means a car that you can trust. Every new Peugeot is built to the very highest standards, ensuring technical excellence, superb handling plus peace of mind, and is engineered to achieve optimum active and passive safety.

It also means passion. Our passion for creating cars with real poise and precision, cars that communicate with the road and connect with you, lifting your spirits on every journey. Cars that reawaken your enthusiasm for driving.

And it goes without saying that it means intelligence. Innovative designs and features that answer your demands for better, safer, more comfortable and environmentally respectful vehicles (we've reduced emissions from our engines and every new car we build is 90% recyclable).

These are the strands of Peugeot DNA that you'll find running through every vehicle that bears our name today, and every car that we'll build tomorrow – just as the four lines run through the pages of this brochure. Creating the perfect chemistry between you and your car. And ensuring you the drive of your life.

## Join the “206 World Fan Club”

Perfectly proportioned, elegantly styled and designed with fun firmly in mind, it's hardly surprising that the 206 has become such a world-wide success.

Since we launched the 206 back in 1998, over 5 million models have been sold. And while most have become the prized possessions of their owners, others have gone on to triumph in rally championships, world tours and even desert crossings.

It's incredible when you think about it, but the 206 has been seen just about everywhere, and has done pretty much everything a car can do. Even so, it's phenomenal popularity continues to grow and grow, inspiring new generations of fans across the globe.

So, if like them you want a car that is smart, energetic and great to look at, then you really should join the club!

## Proud to be 206

But what's the secret behind 206's worldwide popularity? It probably has a lot to do with its eye-catching design. Its sporty good looks, smooth lines and iconic Peugeot grille give the 206 its extraordinary

personality. On the inside, the stylish lines continue throughout the dashboard trim and details, all contributing to a car that is unmistakably 206.

Alloy wheels shown are standard on SW, optional extra on Hatchback.

The 206 interior is spacious, and full of intelligent features designed to give a great level of driver and passenger comfort, such as:

- Air-conditioning\*.
- Height-adjustable driver's seat and steering wheel column.
- 'Guide-me-home' headlights that stay on for 45 seconds after the ignition is switched off, lighting your path to your front door.
- Rear seats that can be split 2/3 - 1/3.
- An electronic immobiliser for added security.

\* Optional on 1.4 3 door; standard on all other models.

Enjoy the 206 fun

## 206 SW: plenty of room for big ideas

The 206 SW Verve gives you an impressive level of storage with lots of innovative features which maximise its versatility. For example, the rear window can be opened independently from the tailgate using the remote control or the tailgate button, so you can load quickly and easily.

In all, the boot offers you a very practical volume of 313 dm<sup>3</sup>. You can increase this to 480 dm<sup>3</sup> by simply folding down the 2/3 - 1/3 split rear seat, which also gives you a flat surface perfectly flush with the floor of the boot. There is a low-level loading threshold and rigid floor rails that make loading or unloading heavy or bulky objects easier.

Inside the boot, you'll discover loads of storage options. Two elastic straps and two nets can be used to store fragile objects and stop shopping moving around, while two side hooks can also secure loose bags. Plus there is a rear load cover that provides even more security.

For your added convenience, a 12-volt socket has been fitted so you can use or recharge portable devices such as a mobile phone or games consoles.

Feel the 206 excitement

Model featured, 206 Look Tiptronic 1.6, has optional alloy wheels.

# Experience sensational 206 performance

With dynamic road handling and exceptional levels of performance, the 206 gives you a sure-footed ride at any speed, thanks to McPherson type front suspension\* and transverse torsion bars on the rear trailing arms\*.

\*Not available on 206 SW.

### Engines

The 206 hatch offers a choice of two petrol engines - 1.4 8v manual and 1.6 16v Tiptronic or a highly efficient HDi 70 diesel unit. The SW has the same range of engines with the addition of the powerful HDi 110 with manual transmission.

### HDi 110 diesel

The HDi 110 diesel uses the very latest in diesel technology, making it among the cleanest, most efficient, and not forgetting quietest, on today's market. You'll experience a fantastic level of performance (see below), together with assured acceleration, and an instant response.

### Sequential automatic gearbox

The Tiptronic System Porsche 4-speed automatic gearbox is available with the 1.6 litre 16v engine. In automatic mode, the gearbox adapts to your own individual driving style and the conditions of the road, thanks to its ability to recognise inclines and bends. You can choose from three programmes: Auto, for normal driving, Sport for more dynamic handling, and Snow, which reduces the risk of skidding on slippery roads.

## Reassuring 206 safety

### Braking system

The 206 features a sophisticated braking system. It includes Anti-lock brakes (ABS) with Electronic Brake Force Distribution (EBFD) which reduces the risk of the wheels locking on slippery surfaces - significantly shortening the braking distance. Plus it comes with Emergency Brake Assist (EBA) which aids you when you need to make an emergency stop.

### Automatic hazard lights

If you brake suddenly, the 206's ingenious hazard lights switch on automatically, warning other road users that you've stopped, so you can concentrate on the situation ahead. And once you've accelerated away, they will switch themselves off again.

### Isofix system

A child's safety is really important, that's why the 206 features the ISOFIX system to give you added peace of mind. It is the safest and most efficient way to install a child seat, and you can fit two side by side safely and easily, without using the seat belts.

### Automatic door locking while driving

When the 206 reaches a speed of 6mph, the doors will automatically lock for added safety.

### Airbags

Your 206 comes equipped with:

- On all models two Smart front airbags which inflate in relation to the intensity of impact.
- Side and curtain airbags\* to protect the head and chest.
- The curtain airbags\* above the side windows which are deployed if there's a collision, to protect the heads of the front passengers, as well as those in the back seats.

\*Side & curtain airbags are available as a combined option on all models.

### Safety belts

The 206 features front pre-tensioned seatbelts with a force limiter: If you're involved in an accident, this device holds you securely in your seat, minimising the risk of injury. In the rear, there are three anchoring points for passenger seat belts.

# Peace of Mind

## 206 / 206 SW

When you choose Peugeot, you have the reassurance of knowing that that your vehicle has been designed and manufactured to give you years of worry-free motoring. What's more, as a Peugeot owner, you can rely on a comprehensive range of customer care services from your Dealer. So you can be sure that you're talking to a specialist who'll listen to you, understand your problems and respond efficiently – someone who also has the expertise to maintain your Peugeot correctly, using trained technicians, Peugeot Diagnostic Equipment and Peugeot Original Equipment Parts.

### Peugeot Warranties

As well as the 2 year unlimited mileage manufacturer's Warranty, all vehicles first registered in the UK and purchased from a UK Peugeot Dealer come with a free, optional additional year of Warranty through the Peugeot UK Dealer network. The mileage limit on this additional Warranty is 60,000 miles (100,000 miles for Boxer vans excluding Motorhomes and other converted vehicles) from first registration. At the end of the 3 year Warranty period (or after 60,000 miles) you have the option to purchase a Peugeot Platinum Extended Warranty. Our cars also come with a 12 Year Anti-Perforation and 3 Year Paint Warranty (6 and 2 years on vans). For full terms and conditions on all of these, please contact your Peugeot Dealer.

### Peugeot Assistance

All new Peugeots come with 12 months' Peugeot Assistance – our breakdown assistance service (36 months for the 607). This covers all incidents involving vehicle-based faults for you and anyone else driving your car with your permission. It is available 24/7, 365 days a year.

Peugeot Assistance includes European cover, homestart, roadside assistance, vehicle recovery and a free replacement car or hotel accommodation if required. It can be extended for a further 12 months, or 24 months, and to protect you against non-vehicle faults (such as punctures) at specially discounted rates, by calling **0870 752 7050**.

### Peugeot Service Care

Peugeot vehicles benefit from extended service intervals of up to 20,000 miles or 2 years (12,000 miles for 1.6 HDi diesel and 2.0 litre 180 bhp petrol engines; 10,000 miles or 1 year on 107). Please refer to the maintenance book for details of the service intervals for specific models.

To minimise the inconvenience often associated with servicing, our Dealers promise to offer you a number of options.

- A while-you-wait service, with a timed appointment.
- Local vehicle collection from your home, or from your work.
- Alternative transport to a train station, home, or work.
- By arrangement, a hire car at a concessionary rate.

What's more, they will aim to ensure that your vehicle is cleaned before you get it back.

### Peugeot Insurance

Peugeot Insurance is designed specifically for Peugeots. It offers tailored cover at a competitive price. Should you be unfortunate enough to be involved in an accident, one of our Peugeot Approved Accident Repair Centres will repair your car, using only Peugeot Original Equipment Parts. We'll even give you a courtesy car while yours is being repaired (depending on availability) when you use an approved repairer. **Why not call Peugeot Insurance now for a quote at 0870 0240 206**

Peugeot Insurance is underwritten by UK Insurance Limited. Conditions apply.
